

## Franklyn C Robinson I aka Frank da think tank to have a lover sister brother significant other soul mate too date...

what does it mean to have a significant other a lover be it a sister or brother first of all how does a relationship rate among all of those who love too hate but as they watch y'all two pass in fashion and wanna die due to your passion your enemies cry out at nite and beg to god please why them and not me on hands and knees what should we look 4 in dating first is it loot or looks what's what makes us hood and some shook with madness the bodies temple can be damaged goods mentally physically but can be rebuild by self or others at some point in time yes yours and mine heres where I lay it on the line when we go outside on a sociable setting its positive and negative vibes were getting ourselves from whatever possible mate we may find that looks bonfire from close or a distance from front too behind what attracts people too people could it be a car or the way that we presented ourselves inside of the bar but than were overwhelmed by some many girls and guys some you can deal with others and despise if by chance you exchange numbers and names if the numbers a fake and he or she's a phony you're a victim too the game cant complain just dust yourself off and try it again because no ones allowed to put your heart ton shame.. but supposedly you down right find that your having children or child by that dirty broad or rat bastard son of a gun and argue with, him or her wake up one morning in a stinking old place wondering how can you look at yourself in the mirror and stare at your own face you question yours self inn every way and consider homicide or suicide like jumping out of a window or hanging yourself with rope because you just cant cope doesn't matter if you're a dirty bum or a wannabe star not even drugs or antidepressants would take you too far but what it narrow down to with the best intentions and education as well as street smarts don't know if its truthful but nice guys finish last and every wants too take your heart and finally in 57 years old and not really playing apart but we all are suppose remember its me who told you as we grow were supposed too grow wiser smarter and better focus on our future and ways to make our own cheddar aka money in the l and of milk and honey so don't be a dummie no one was born bummie

THE SANTITIES OF SANITIES HAVE LEFT FOR THE COASTS AND THE HOST WITH THE MOST 2 L.O.L is not a stool yet a tool that can relieve stressors that cause wars! To some life is a precious gift and the prayers go up and the blessings come down! Hence don't clown around while the almighty can still be found! that confounds those whom oppose the light in you! The chosen few, At time your conscious convicts you and preaches too! Both are the true you! The attribute you feed the most is the battle of the principalities! That's good and evil and the bedevils are more than eggs!

AMBIVALENCE IS THE MIS GUIDED LOYALTIES TO THOSE WHOM CANNOT RECIPROCATATE VIA ME Devolve as they may, when they let go of the rope of hope, you cease and desist, that with an ado kiss! That's to save you ,that's attested to by the book lose the man let him go! Bishop T.D. jakes! Hence there is no Hubris in this, ergo god and me are gonna save me! I pray that be the ultimate reality 1

INSURRECTION AND OR DEFECTIONS ARE THE LEGAL DEFINITION INSABORDINATIONS THAT CROSSES DIFFERENT NATIONS Hence the facts are fact, we cannot have different facts! We all have opinions and baselines of some kind! However to the truly clever, Regardless of whether can see truly that the almighty has called thee! Simply many are called and the chosen are few!

Salute to the heavy dee!

What runs all around a backyard, yet never moves?

What 4-letter word can be written forward, backward or upside down, and can still be read from left to right?

A rancher had 500 cows and took one shot that got them all. How did he do it?

1 Peter 1:3 *Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead.*

## Jesus is the way to the Father

“Don’t let your hearts be troubled. Trust in God, and trust also in me. There is more than enough room in my father’s home. If this was not so, would I have told you that I am going to prepare a place for you? When everything is ready I will come and get you, so that you will always be with me where I am. And you know the way to where I am going. No, we don’t know Lord, Thomas said. We have no idea where you are going, so how can we know the way? “Jesus told him “I Am the way, the truth, and the life. No one can come to the Father except through me. John 14:1-6 (NLT) There are many religions floating around all over the world. We cannot force people to believe anything, it’s all up to the individual person. The Bible is one of the oldest manuscripts in the world today. We can go on and on with proof of Noah’s Ark on Mt. Ararat. Also the dead sea scrolls etc. The Gospel of Christ is one of the oldest religions preached all across America. But it’s up to MAN to repent and believe.

~ Rodney Wise

**G**od is good all the time, the life he gives us in no crime... closer to him is where I want to be, look into his eyes and you’ll surely see...

**The pearly gates in the way truth, all sinners will see them soon... what was freely given will come again, exactly when Jesus comes again we don’t know exactly when...so listen for the trumpets and you’ll feel his unconditional love, soon as he descends from up above...**

~Christopher

**From InPho Lady, to Rodney Wise, with humble patience, the moving line, Oh, America is of thee, Thank you tons, For blessing me, with confidence, we all can eat, then reflect in rhyme, The planted seeds of hope... “Gratitude”**

~James Calinda

## Another day in America Life real life

Thank God for another day, God blessed America, just staying out trouble ain’t nothing good out here. Gotta stay away from the bad things and the set up they to throw. The system ain’t fair. Just continually fighting my personal battles to stay out of trouble. Everyday I keep pushing for another day of life like I should. Well lately been watching a lot of basketball history it keep me on top of my American life that people continually want to interfere but I stay strong tough out the storm. Thank God for everything in God we trust. Just gotta stay in shape, and the rest its history. I have a lot of history that I had live.

### FOOD FOR THOUGHT: “Aha!...”

Good Morning, Good Morning, Good Morning!!! Welcome to the first installment of “The 2447 Project” for 2024! How you doin’? (Yes, this is my 2024 Wendy moment...) Whatever your response is, I have faith in you and I believe in you and, don’t you ever forget that! The question is “Do you have faith in yourself, the size of a mustard seed? Do you believe in yourself, walking by faith and not by sight? If you do or if you don’t, change can only begin with you...if you so choose.

Now, having said that, I would like to share with you one of my 2024 “aha!” moments which left me ever the more humbled. After the “incident” with the two trains at 96th Street, traveling became even more of a challenge than it normally was: “Because of a train derailment, the #2 Train is running down the Lexington Line. We apologize for any inconvenience”, “There is no #1 Train Service...”, “There is no #2 Train Service...”, “Transfer to the Shuttle Bus at 149th Street..” (yes, but which 149th Street...149th/3rd Avenue and/or 149th/Grand Concourse?... I found out it was 149th/Grand Concourse only after I got off the train at 149/3rd and pointed out to the Conductor that they did not say which 149th Street stop to catch the Shuttle Bus at - they immediately announced the transfer point to the Shuttle Bus was at 149th/Grand Concourse)

Anyway...after a while I found myself waiting to continue the journey on a fourth bus. As the bus pulled into a bus stop, an elderly person walked with great difficulty towards the bus and then boarded. Sitting opposite me, they said to me “Do you have any food? I am hungry”. I answered “I have two pieces of bread that I just picked up. You are more than welcome to have them.” They said “Yes, please” and I gave them the Bread. After eating the Bread, they asked me “Do you have a quarter?” Digging deep in the dust pile (smile) I gave them the last quarter that I had...it wouldn’t make me or break me if I didn’t have it. Less than two minutes later, the Bus Operator gave the person their entire lunch which they had just purchased (still piping hot, and drink included!), and a person leaving the Bus gave them \$10. The “aha!” moment...this person did not appear to worry about where their next meal or next dime would come from. What they did was act on faith: they put their need out there and said “Do you have any food? I am hungry”. They know the rules of the Universe “Ask for what you truly need and it shall be given to you, often with a side dish of “and here’s a little something extra for you!” I myself have experienced many “aha!” moments...when was the last time that you had one? If you play your cards right, get ready for your Blessings, but only if you believe that they are possible and you are prepared to receive them!

In closing, this year “The 2447 Project” will be doing something different. Instead of providing Public Service Announcements, if you submit a legitimate question to Adam that relates to the world of the unhoused and it is picked to be answered in “The 2447 Project” column, you will receive a \$10 gift card...remember, your challenges do have answers but only if you choose to overcome them!

*In Peace with a side order of Compassion, ~The Inpho Ladie~*
