- What is red and smells like blue paint?
- What five-letter word becomes shorter when you add two letters to it?

James 2:5

*Listen, my dear brothers and sisters:
Has not God chosen those who are poor
in the eyes of the world to be rich in faith
and to inherit the kingdom he promised
those who love him?*

Appreciation is a special word. One that is spoken often! It means to cherish something life, health, waking up every morning, to walk, to speak, help others etc!

To give of ones self is a special act. Jesus gave his life for us to exist! Never take anything for granted appreciate what one has because it can be lost at any moment!

Be your brother's keeper!

THE LIVING WORD OF GOD

When God created everything, He spoke and it was done. (When you have time read Genesis chapter 1). Throughout the Holy Bible, God's word always had an effect on whoever believed in His Holy Power. From the early days of Moses up to the early days of the Messiah. Jesus Christ demonstrated this through healing people and showing us how we are to live. Luke chapter 4 illustrated how Jesus resisted the temptations of Satan himself with quoting back the Holy scriptures showing that the word of God is not just only real but "it's Alive". "For the word of God is living and active, sharper than any two-edged sword piercing to the division of soul and spirit, of joints and of marrow, and discerning the thoughts and intentions of the heart". Hebrews 4:12. That means when we as believers speak God's word, "IT DOES SOMETHING". JESUS is the word of God. John 1:1-3. He is with you wherever you go. "He will never leave you or forsake you." God's word is REAL and is ACTIVE. He is the same today, yesterday, and forever.

Floating Blue Prints

I usually write about broken hearts, or losing yourself in someone.
That's not this kind of prompt.
Something about your soul makes me want to find every piece I lost in others,
finish the puzzle and hang it on the wall of your heart.
Because if it's in your heart, and you give me the key, well It's not necessarily
losing myself in you, it's placing a piece of me there willingly.
I'll know where to find me when I need to.
I think this is one of the loves they warn you about.
Because they warn you about many.
The one who makes you stupid.
The one who hurts you.
The one you lose something to.
The one you never really tell.
The one you regret with every bone.
The one you never quite understood.
The one you still have as a friend.
And then...the one you never expected.
That's the one where someone asks how you met and you smile like a child.
The one where you feel everything.
It's like falling in love for the first time, but with experience.
Like seeing, losing your sight and getting glasses.
I wish you'd be my Navy Blue Warby Parker frames.
You are patient.
Love usually isn't, popular to contrary belief,
So I don't know what this is
I know I'm like the only one who sees it this way.

THE UNGODLY ARE BLIND
IT IS ONLY DARK ENERGY THAT THEY FIND
THE DEVIL CONTROLS THEIR COLLECTIVE MIND
ON HIS CRUDE OIL, CORRUPT ECONOMY, HIS WORLD DINED
FROM GAS FOR THE CAR
TO STOVES THAT COOK AND CHAR
AND SHIPS THAT TOOK ALCOHOL TO THE BAR
CRUDE OIL FUELED THE DISOBEDIENCE OF EACH STAR
THE QUEST FOR MORE
THEY SOLD JUNK IN THE RETAIL STORE
THEY RAPED AND STOLE ON EACH SHORE
AN UNDERWORLD WAS BUILT, THAT WAGED
ENDLESS WAR
IT WAS PLANNED
JESUS HAD THE UPPER HAND
TO BUILD HIS CREATION ON HOLY LAND
ALL THINGS UNGODLY WOULD NOT STAND
EACH WORD IS A CLUE
JUST IN TIME - THE HIDDEN ON VIEW
FROM THE BEGINNING, YELLOW BIRD FLEW
A FRESH GALAXY, WAITING TO MAKE ALL THINGS NEW

On the Road

Last night slept near
Washington's Hometown
On the river
Quiet, no traffic noise
No horns or sirens
Just
Crickets and frogs
Lights across the river
Display an awesome sight
Slept, no Blankets
No mosquitoes
A little chill in the air
We start slipping
Toward fall
I woke as the water
Receded
The frogs jump to catch
Their morning breakfast
The sun rises on a new
Day in Virginia

~Popeye

I was born here,
I will die here,
Im gonna laugh,
and gonna cry here,
this city's falling apart,
its a new normal
now its true,
no one can touch,
everyone in a mask,
cant get close like
having a rash,
Let us welcome,
To the new normal,
You don't have to dress up,
Come plain and not
formal
